Stratham Recreation Department & Stratham Hill Park Association

NOTES:

1. Obligations. The Town's obligations regarding the management, maintenance, and operations of trails are only applicable to those trails within the Stratham Hill Park and Town Forest. The Town is not be responsible for the management, maintenance, and operation of trails on private property.

2. Trails shown beyond the delineated boundaries of the Stratham Hill Park and Town Forest exist on private property and are maintained with the support of volunteers. It is important that trail users respect the rights of property owners. For those trail sections that pass through private property by permission of the owner(s), trail users should remain on the marked trail.
