8:15 PM	Wrap Up
8:30 PM	Adjourn

Purpose of TMAC

Stratham Hill Park

Rare & valued resource.

A backbone of the community.

Management Plan

The group is charged with recommending concrete feedback and a work plan structure for SHP to ensure it is protected in perpetuity.

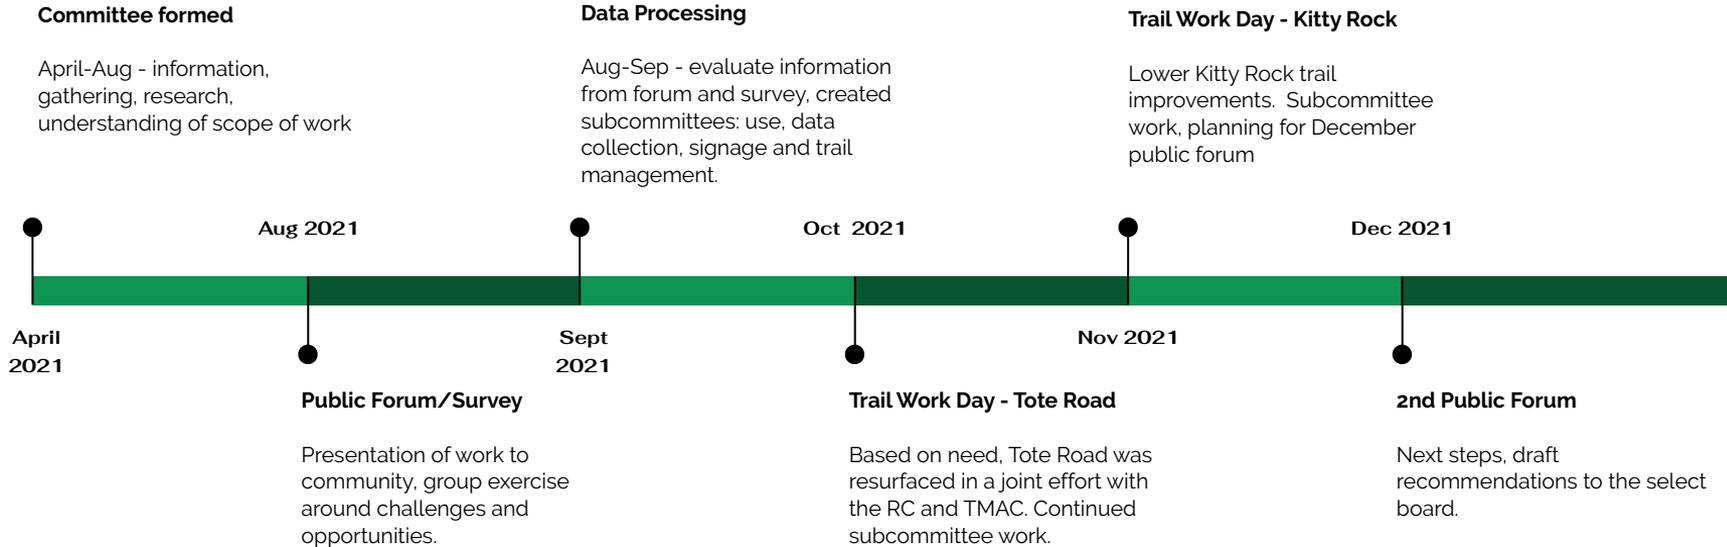

Community Support & Enjoyment

Including the public in the management of this kind of resource is challenging but necessary.

With multiple user groups it becomes imperative that we include as many stakeholders in the process as possible.

TMAC Timeline 2021

TMAC Timeline 2022

Problem Solving Breakout Groups

Within each small group - (20 mins)

After reading Mt. Pine Park, Easytown

- Designate Team Leader to report to larger group
- Your group is acting as Easytown's Land Manager
- Discuss the challenges
- Present solutions
- Return to larger group and report back summary of solutions

Questions to Consider:

What are the management issues at play?

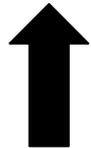

What are some of the solutions to the issues at hand, and who will benefit?

How would you approach the management of Mt. Pine Park?
