- I. Call to Order: 7:03PM
- II. ATTENDANCE: Kate Dardinski, Edie Barker, Kevin O'Brien, Seth Hickey, Greg Blood
- III. The group discussed our next steps for TMAC. We reviewed Phase 1 goals that included signage and trail work. There was significant discussion around the managing use at the Jack Rabbit lot. There have been significant issues with dogs off leash and heavy use of a parking lot that was never intended for that kind of use. The group is considering doing a trial run of a "resident only" lot to help mitigate these issues. The group agreed to set up a meeting with the SPD to discuss this option.
 - A. The group also discussed a letter from a resident that was upset by backyard flooding. The group discussed the issue and noted that the issue falls on land that is owned by another entity (not town). Next steps include reaching out to the private landowner (SELT) to meet and discuss.
- IV. The TMAC discussed the proposed trail work with Seacoast NEMBA along the top of the Lovell Road Trail. It was agreed to remove the current failing bridges and do a reroute.
- V. Next Meeting: June 15
- VI. Adjournment
