- II. ATTENDANCE: Kate Dardinski, Kevin O'Brien, Seth Hickey, Greg Blood, Edie Barker, Bill McCarthy, Patricia Weideman
- III. The committee discussed the Jack Rabbit parking lot changes. The meeting with the Stratham Police Department was discussed, and plans to present the plan to the Select Board were made. The Police Department was not opposed to the proposal of resident-only and would be willing to enforce it when possible. It was agreed that the implementation would be after 30 days of notifying residents via flyers and signage.

The Parks and Recreation department were able to obtain a 'loaner' eco-counter to track use at the Jack Rabbit lot, and to reinforce the need for the P&R department to acquire one.
- IV. The trail work w/ Seacoast NEMBA will take place on July 10.
- V. The Committee discussed the idea of having a Trail Patrol at SHP, and what that might look like. This included ideas around education, and informing park users of existing rules and regulations.
- VI. The Committee discussed signage needs and continued to work toward a comprehensive signage plan for the park that takes into consideration all the various landowners and stakeholders.
- VII. Next Steps: The committee discussed work days for the Fall, and agreed to a signage clean up plan, beginning with the removal of the old yellow medallions throughout the park.
- VIII. Next Meeting: July 13 - site walk from Scamman Pavilion
