7:10 PM Call to order

- 1.) Approve Meeting minutes from November 9, 2016 with corrections
- 2.) Solar Update
 - a. Report from Selectman's meeting – positive feedback from Selectman wanting to pursue Solar power for Stratham. Alternate locations were discussed for possible larger arrays. Cushman property as well as ball fields behind town shed.
 - b. Firehouse: Roof issue was brought up. We are at year 10 of 15 year roof. Warranty would be void if we were to put on solar after year 5. Decision was made to table the Firehouse location at this time & seek options.
 - c. Ground Installation Cushman property – Initial discussion with Revision Energy thinks this could be a 100-140kw system. Site visit scheduled for Tuesday 12/20/16 @ 9:30am. Also want to consider the Ball fields behind garage. With this larger system we believe we may have additional venders interested in bidding. Charlie Case is reaching out to Barrington Power & Solar City.
- 3.) Police Station – Ductwork issue being looked at.
- 4.) 2017 Budget – SEC will submit a budget request of \$1,500.
- 5.) Year End Report – MJW to ask Matt to again draft for January mtg
- 6.) New Business – Warrant Articles need to be submitted prior to February 7
