- I. Call to Order: 7:03PM
- II. ATTENDANCE: Kate Dardinski, Kevin O'Brien, Seth Hickey, Greg Blood, Edie Barker, Patricia Weideman
- III. The committee discussed the TMAC scope for Phase I to ensure the group is moving forward with their goals.
- IV. The committee discussed updates on Jack Rabbit Lot. Given the issue with enforcement around a non-ordinance based rule, the 'resident-only' proposal has not been effective due to lack of enforcement. Other options were discussed, such as having a pay station, resorting back to the non-restrictive parking. The group agreed to set up another meeting with the SPD to discuss the issue further and to see what kind of enforcement can be done.
- V. The group discussed a sign plan for the Stratham Hill Park area. Trail maps, interior trail intersection signs and stock signs for trail closures were part of the discussion.
- VI. The committee discussed the next steps in trail management at Stratham Hill Park, including Soggy Dollar wetlands closure/reroute w/ Seacoast NEMBA and the Lower field bridge connector to Barker repair/replacement. The committee plans to work with the P&R to obtain necessary permissions from private and municipal landowners.
- VII. Next Meeting: October 12, 7PM
- VIII. Meeting adjourned at 8:35PM
