1. Call to Order/Roll Call

2. Approval of Minutes:

- a. January 4, 2023 Planning Board Minutes

3. Public Hearing:

- a. The Planning Board will hold a public hearing on the proposed zoning amendments outlined below. The full-text of the amendments is available at the Stratham Planning Department and on the Town website at www.strathamnh.gov.
 - 1. Amendment #2: To amend Section 3.8.8 *Gateway Commercial Business District*, Table 2 to increase the minimum front setback for structures in the Gateway Commercial Business District and to clarify how building height is measured in the District.
 - 2. Amendment #3: To amend Section 4.2 *Table of Dimensional Requirements* to reduce the front setback for properties in the Professional/Residential District that abut residential uses. The purpose of this amendment is to make the front setback more consistent with other zones in Stratham and to allow for the redevelopment of uses on small properties where the existing setback requirement makes redevelopment unfeasible.
 - 3. Amendment #4: To amend Section 3.8.8 *Gateway Commercial Business District*, Table 4 to establish minimum standards for sidewalks, driveways, and electric vehicle charging stations in the Gateway Commercial Business District in order to facilitate a more pedestrian-oriented environment and to require electric vehicle charging facilities in new commercial developments.
 - 4. Amendment #5: To amend Section 3.8.8.a *Gateway Commercial Business District Permitted Uses by Zone* to correct clerical errors and ensure consistency of terms and uses between this Section and other areas of the Ordinance.
 - 5. Amendment #6: To amend Section II *Definitions*, Table 3.6 *Table of Uses* and *Footnotes to Table 3.6* to clarify requirements associated with religious uses of land or structures. This amendment is necessitated by the State Legislature's passage of RSA 674:76 which limits the ability of municipalities to regulate sites or buildings used primarily for religious purposes.
 - 6. Amendment #7: To add a new Sub-sections 4.1.4 and 4.1.5 to Section IV: *Dimensional Requirements* to establish maximum residential densities in Stratham's commercial districts and to clarify that only one primary dwelling shall

be permitted on single-family lots in the Residential/Agricultural and Manufactured Housing Districts.

7. Amendment #8: To delete Section VII *Signs* in its entirety and replace with a revised Section VII Signs in order to incorporate legal amendments to the Town's Sign Ordinance necessitated by decisions of the United States Supreme Court which limits how municipalities may regulate sign content.
8. Amendment #9: To amend Section VII *Signs* in order to both incorporate amendments proposed under Amendment #8 and to amend regulations on commercial signage to further limit the size, height, and illumination of signage in order to control visual clutter along roadways, reduce distractions caused by signage to motorists, and to improve the aesthetics of commercial corridors in Stratham.
9. Amendment #10: To amend Section 5.13 *Solar Energy Systems* to eliminate Sub-section 5.13.7.7 and to amend Sub-sections 5.13.9.3 and 5.13.9.4 to clarify the requirements associated with the removal of medium- and large-scale ground-mounted solar energy systems after they are abandoned.
