4. Public Meeting:

- a. The Planning Board will hold a public hearing on the proposed zoning amendments outlined below. The full text of the amendments is available at the Planning Department and on the Town website at www.strathamnh.gov.
 - i. Amendment #3: Accessory Dwelling Units. To delete Sub-Section 5.4 Accessory Dwelling Units in its entirety and to replace with a revised Sub-Section 5.4 Accessory Dwelling Units to clarify the requirements associated with accessory dwelling units and to enact additional requirements for detached accessory dwelling units to ensure that such uses do not create the appearance of two primary residences on a single lot.
 - ii. Amendment #4: Solar Energy Systems. To delete Sub-Section 5.14.4.2 Setbacks for Solar Energy Systems in its entirety and replace with a revised Sub-Section 5.14.4.2 in order to require small-scale ground-mounted solar energy systems to meet the

minimum property setbacks of the applicable zoning district and to increase the front setback requirement for medium- and large-scale systems.

- iii. Amendment #5: Route 33 Legacy Highway Heritage District. To create a new zoning district, the Route 33 Legacy Highway Heritage District, for parcels with frontages along the Route 33 corridor from the Town Center District to the Greenland town line. The intent of the District is to encourage historic preservation and adaptive re-use of structure through both greater regulation of demolitions and major building alterations as well as through greater flexibility in land uses.
- iv. Amendment #6: Table of Uses. To delete Section 3.6 Table of Uses and Footnotes to Table 3.6 in its entirety and replace with a revised Section 3.6 Table of Uses and Footnotes to Table 3.6 in order to better clarify permitted and prohibited uses by zoning district.
- v. Amendment #7: Definitions. To amend Section II Definitions to provide definitions for land uses included in the Table of Uses to better define and clarify that ‘porkchop lots’ with reduced frontages are prohibited and to clarify that the minimum frontage requirement for parcels in the Professional/Residential District is 150-feet.
- vi. Amendment #8: Table of Dimensional Requirements. To amend Section 4.2 Table of Dimensional Requirements and Section 4.3 Explanatory Notes to clarify the minimum frontage requirement for residential parcels and properties in the Professional/Residential District.
- vii. Amendment #9: Affordable Senior Housing. To eliminate Section 5.7 Affordable Senior Housing and re-number subsequent sections of the Ordinance, because the Ordinance already provides for Elderly Affordable Housing and this section is duplicative. This is a housekeeping amendment to eliminate inconsistencies related to the land use in the Ordinance.
- viii. Amendment #10: Building Ordinance. To amend Section 16.2.1 of the Building Ordinance to add a Sub-Section A to prohibit the issuance of building permits for a property if existing non-inspected permits are outstanding on the property.
