

Stratham SepticSmart Art Contest

Celebrating SepticSmart week 2024, September 16 - 20, 2024

Stratham SepticSmart Art Show

Stratham relies on septic systems for our waste water needs. How do you envision septic systems working to protect the environment? Please draw in the space above.

Entries will be accepted through September 20, 2024, and will be displayed at the Stratham Municipal Center and can be dropped off at the Stratham Planning Department or e-mailed to planning@strathamnh.gov.
