Stratham Residents!

WE NEED YOU!

The New Hampshire Department of Transportation (NHDOT) included the Signalization, Turn Lanes, and Intersection Realignment at the **NH108 / Bunker Hill Intersection** on its Ten-Year Transportation Improvement Plan for nearly ten years.

There are public hearings scheduled across the state in September and October to discuss the NHDOT's 10-year Plan and projects in the region. The purpose of these hearings is to gather public comments and testimonies on transportation projects and priorities included in the draft 2027-2036 Ten-Year Transportation Improvement Plan, as recommended by NHDOT to the Governor's Advisory Council on Intermodal Transportation (GACIT).

Please attend to hear their presentation and be able to participate in the public hearing process! The scheduled dates are:

Thursday, September 18, 2025, at the Brentwood Recreation Department, beginning at 6:00 PM

Wednesday, October 1, 2025, at the Hampton Beach Sea Shell beginning at 6:00 PM

Thursday, October 16, 2025, at the Plaistow Town Hall, beginning at 6:00 PM

Wednesday, October 22, 2025, at Greenland Central School, beginning at 5:00 PM

Those who are unable to attend the meetings can submit written testimony within 10 days after the completion of the public hearings. Currently, there is a proposal to have a link on NHDOT's website to submit comments, but it is not yet active. However, public comments can be mailed directly to:
