V. Treasurer’s Report

Steve provided the library financial report. Spending is on track but adult programming was front loaded and Steve will likely request some additional funds from the Board for further programming closer to the end of the year. Technology spending higher due to wireless and remote printing program, and 2 new monitors that were needed. Furnishings - 2 bookshelves to improve displays, fish care, staff office chairs and photocopying is all in this category as well.

Terri gave the treasurer’s report:

One CD will mature in August and we will vote on whether to roll it over at our next meeting.

A. Accept Donations \$314.94 in donations. Judy moved to accept the donations, Gale seconds, all in favor.

VI. Old Business

A. Update on Strategic Planning Process - Deadline for the survey is this Saturday. A number of reminders online/emails and library website. We have about 135 responses so far. There is a banner on the WML website, posters in local area businesses, and announcements in local Facebook groups to request residents to fill out the survey.

August 3 Steering Committee Meeting with consultant Christine Frieze - planning for forum. Will consider planning for forum so it doesn’t compete with back-to-school events.

B. Policy Review Project - no update this month.

VII. New Business

A. Brainstorm Upgrade Ideas for Library Front Entrance - How can we make the library main entrance more inviting/welcoming, less institutional? Murals, open up the entrance area, landscaping, etc.?
