***BY SIGNING ABOVE** I hereby certify I have been authorized by the owner to submit this application for the above listed property with full knowledge of the current rules and regulations of the State of New Hampshire and the Town of Stratham governing electrical installations. I agree, upon applying for this permit, to be in conformance with these provisions. I certify that the information given is true and correct to the best of my knowledge. I acknowledge that construction activities shall not begin until the permit approval is issued; work without a permit is subject to a permit fee of twice the normal rate per the Town's Fee Schedule. I have read and acknowledge the "Building Permit Application Guidelines" document.

Conditions of approval:
2023 NFPA 70 NATIONAL ELECTRICAL CODE WITH NH AMENDMENTS and 2021 INTERNATIONAL RESIDENTIAL CODE SECTION R314 SMOKE ALARMS 7 AND SECTION R315 CARBON MONOXIDE ALARMS, R314.3.1 Alterations, repairs and additions. When alterations, repairs or additions requiring a permit occur, or when one or more sleeping rooms are added or created in existing dwellings, the individual dwelling unit shall be equipped with smoke alarms located as required for new dwellings. Exceptions: 1. Work involving the exterior surfaces of dwellings, such as the replacement of roofing or siding, or the addition or replacement of windows or doors, or the addition of a porch or deck, are exempt from the requirements of this section. 2. Installation, alteration or repairs of plumbing or mechanical systems are exempt from the requirements of this section. R315.2 Where required in existing dwellings. Where work requiring a permit occurs in existing dwellings that have attached garages or in existing dwellings within which fuel-fired appliances exist, carbon monoxide alarms shall be provided in accordance with Section R315.1.
