STRATHAM

VOLUNTEER FIRE DEPARTMENT AUXILIARY

911 Reflective Signs - \$25

The single most important piece of information on an emergency call is the location of the person(s) requiring help. Making your home address easily seen could save your life and your premises. 911 reflective address signs are highly reflective signs, mounted at or near the roadside. These reflective signs are easy to see day and night allowing police, ambulance and fire department emergency vehicles to quickly identify the right house from a distance the first time in the event of an emergency. When every second counts, 911 reflective signs are invaluable for any home.

Cost of the signs are \$25 and all proceeds directly support the Stratham Fire Department. Please make check payable to "Stratham Fire Department Auxiliary" and mail with this form to SVFD Auxiliary, 10 Bunker Hill Ave, Stratham, NH 03885. You may also drop off the form and payment at the Stratham Fire Department.

To order your custom-made sign today, please provide:

Name: _____

Address: _____

Phone #: _____

House # to appear on sign: _____

Signs measure 6"x18" and are made of 0.63 gauge aluminum with green Avery engineer grade reflective vinyl on both sides. Each sign is custom made to order with 4" white Avery engineer grade reflective vinyl numbers on both sides. All signs come with two "L" brackets and screws.
