

Keeping Granite Staters Covered

Medicaid Changes - Retroactive Coverage

**New Medicaid eligibility requirements
for Granite Advantage members**

Retroactive Medicaid coverage is changing.

Individuals can currently apply for Medicaid coverage for up to three months before their application date if certain eligibility conditions are met.

Beginning January 1, 2027, retroactive coverage periods are changing. Retroactive coverage will be limited to:

- **One month for individuals in the Granite Advantage Health Care Program**
- **Two months for all other Medicaid eligibility groups**

What is not changing

The process to apply for retroactive coverage has not changed. Once you complete your application, you may still need to provide more information, including:

- **Proof of income**
- **Your household size**
- **Proof of residency**
- **In some cases, your resources**

Be sure to respond to all requests for additional information from DHHS.
