

Keeping Granite Staters Covered

Medicaid Work Requirements & Renewal Changes

New eligibility requirements for people covered through Granite Advantage

Medicaid changes are coming

Beginning in January 2027, adults between the ages of 19 and 64 who have Medicaid coverage through the **Granite Advantage Health Care Program** will need to participate in 80 hours of work or community engagement activities each month to keep their coverage. This could include:

- **Work**
- **Volunteering**
- **Participation in a job training program**
- **School attendance (at least half time)**
- **A combination of these activities**

Redetermination changes

Beginning in January 2027, people who have Granite Advantage Medicaid will need to renew their coverage every six months instead of once a year. **For current participants, this change will occur after their first redetermination in 2027.**

Exemptions

Some Granite Advantage members won't need to meet work or Community Engagement requirements, including:

- **People with certain disabilities**
- **Pregnant and postpartum women**
- **Certain caregivers**
- **Foster or former foster youth**
- **People meeting work requirements of programs such as SNAP or TANF**
- **People enrolled in a substance use disorder treatment program**
