

NOTICE

MOSQUITO SPRAYING STRATHAM HILL PARK

Tuesday, July 14, 2026

Spraying to control mosquitoes for Stratham's Summerfest will occur on **Tuesday, July 14, 2026** between **7:30 PM to 10:30 PM** at **Stratham Hill Park**. The rain date is Wednesday, July 15, 2026 at the same time.

People may not be present during spraying. Stratham Hill Park may be used the next morning. The notice is provided for public information and to those who may be sensitive to chemicals.

The insecticides Duet (prallethrin 1% & sumithrin 5%) & CrossCheck (bifenthrin 7.9%) will be used to control mosquitoes. Dragon Mosquito Control, Inc. of Brentwood is the applicator. Residents may call the office at 603-734-4144, email help@dragonmosquito.com or message us through Facebook @DragonMosquitoControl for further information regarding the spray date, time, location, insecticides, precautions and other concerns.
