A preliminary conceptual consultation application for a subdivision review shall contain the following information, where applicable, to be considered complete. However, this checklist is intended only as a guide; the Planning Board may require additional information as deemed necessary.

The following copies are required:

1. Nine (9) copies of the application and supporting materials.
2. Electronic files of all submission materials in PDF form (emailed).
3. Owner's signature on application or letter of authorization submitted.

SUBMISSION REQUIREMENTS:

1. A completed and signed application form, checklist, and associated fee.
2. A base map of the property to be developed, a completed application, and supporting information, including a written narrative of the proposed project, sufficient for the Planning Board to provide the applicant adequate comments regarding the project.

In order to further facilitate the discussion, it is recommended that the applicant provide:

1. A general description of existing conditions on the site, including characteristics of the land, topography, vegetation, and similar features.
2. A general description of the proposed development, including size and dimensions, and a general use plan for the site.
3. A general description of the proposed architecture.
