

Stratham Volunteer Fire

Dept. Association

Help Us Extinguish Cancer Together

Supporting the Stratham Volunteer Fire Department

Firefighters and Cancer

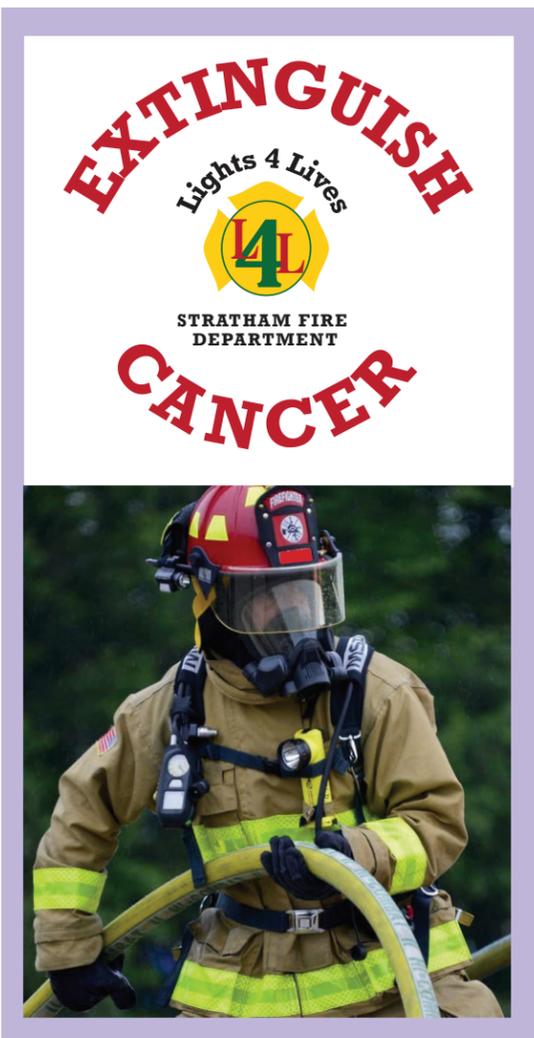

Cancer caused 66% of the career firefighter line-of-duty deaths from 2002 to 2019.

Firefighters have a 9% higher risk of being diagnosed with cancer and a 14% higher risk of dying from cancer than the general U.S. population.

Turnout Bunker Gear

Bunker gear **MUST** be washed after every exposure to fire or smoke. The cleaning process takes at least 12 hours.

Stratham Firefighters only have one set of gear so would not be able to respond to back-to-back incidents without risk of major safety hazards.

What Are We Doing and How You Can Help

- Stratham Holiday Parade, Dec. 17th
- Open House at Statham Hill Park following parade- with ice skating, bonfire and snacks
- Holiday Home Decorating Contest
- Amazing Online Raffles
- Fire Department Calendar and T-Shirts for sale
- Sponsor a set of bunker gear
