

# Ways the SAU 16 Community Can Provide Input on the Superintendent Search

As you may know, SAU 16 is currently undertaking a search for our next superintendent. Since this position plays a key role across the numerous communities SAU 16 serves, input from community members is very important. There are two primary ways community members can become involved. We encourage you to participate.

## SAU 16 School Community Survey for Superintendent Search

We are conducting an anonymous community survey and encourage your participation. Individual responses will be combined with those from other stakeholders to provide important information to the Superintendent Search Steering Committee as it seeks to identify the best candidate for the position. An overall summary of the results will be reported publicly.

Scan the QR code below to access the survey.

**The deadline to submit your survey responses is September 27, 2022.**

## SAU 16 Parent / Community Discussion Group for Superintendent Search

Part of the search process will include small discussion groups of students, teachers, para-professionals, support staff, school administrators, and parent / community members. Each group will include 8-12 representatives and will be inclusive of all six towns in SAU 16. This two-way conversation will focus on learning more about the candidates' skills and experiences, as well as providing feedback from the participants as to their educational priorities.

If you are interested in participating, and you are available for an evening meeting on October 25, please sign up no later than October 7, 2022. Your name will go into a random selector and you will be notified whether or not you have been selected.

Please scan the QR code below to sign up.
