

God Bless America

God bless America, land that I love,
Stand beside her and guide her
Through the night with a light from above.
From the mountains, to the prairies,
To the oceans white with foam,
God bless America,
My home sweet home.

THE STAR SPANGLED BANNER

Oh, say can you see
 By the dawn's early light
 What so proudly we hailed
 At the twilight's last gleaming?
 Whose broad stripes and bright stars
 Through the perilous fight,
 O'er the ramparts we watched
 Were so gallantly streaming?
 And the rocket's red glare,
 The bombs bursting in air,
 Gave proof through the night
 That our flag was still there.
 Oh say does that star spangled banner yet wave
 O'er the land of the free
 And the home of the brave?
