

**RFQ Ranking for Stratham Skatepark**

**10/30/2018**

**Participant:** Seth Hickey, Kerri Vivathana, Chris West, Billy Allen, Mike Tallone, Rob Roseen

**Note:** Ranking elements were scored based on the question weight, each qual package was reviewed for each RFQ element and discussed and scored by the group; final rankings and deciding elements were rereviewed; Additional elements "others" were discussed, scored, but not added to the ranking, and would not have changed the outcome.

Entry	Weight	Grindline	Evergreen	Pillar Designs Artisan Builds	RFQ Element	Notes
1	5	5	5	5	1. Demonstrated ability and prior experience of the firm and the personnel to be assigned to this type of project.	
2	5	4	5	4	2. Clarity, creativity, and thoroughness of the response.	
3	5	4	3	4	3. Availability of firm for full-time design and construction services, and able to complete construction in a timely manner.	struction management hihg cliber- grindline
4	5	4	4	4	4. Experience in construction of custom cast-in-place concrete skateparks in Northern New England and Cold Climate	
5	5	5	4	5	5. Experience in preparing and designing construction specifications.	
6	5	5	5	5	6. Experience in construction management of similar type projects.	
7	5	2	3	5	7. Experience in working with clients on cost saving "In-Kind" contributions.	
8	5	5	5	5	8. Proven record of successful completion of similar projects.	
9	5	5	5	5	9. Example(s) of concrete skatepark(s) you have designed and built for approximately 7,500 square feet and not to exceed \$280,000. Budget assumes no site preparation work or additional landscaping is required.	
10	1	0	0	0	10. Ability to provide personnel based in close proximity to the TOS for the duration of the project.	
11	1	0.6	1	1	11. Warranty on the project	grindline less descriptive
12	1	0	0	0	12. The firm should have a complete understanding of the TOS construction standards and State and Federal environmental regulations.	
13	1	0	0	0	13. The firm shall observe and comply with all applicable Federal, State, and Local Laws, Regulations, and Codes. These shall apply to the Agreement the same as though written-out therein in full. The awarded firm shall indemnify the TOS and its representatives against any claim, loss, damage, or liability arising from any such law or regulation related to any activity of the firm or its agents or employees.	
14	1	1	1	0.5	14. The awarded firm shall be responsible for all damage to property, or injury to persons, arising out of any act or failure to act on the part of its agents or employees. They shall indemnify and hold harmless the TOS from any and all demands, suits, or judgments arising in conjunction with or as a result of the firm's performance under this RFQ. The awarded firm shall provide proof of insurance in amounts and forms acceptable to the Town to meet these requirements and shall name the Town of Stratham as an Additional Insured.	
15	1	0	0	0	15. Firms shall familiarize themselves with all aspects of the site and of the project, and will anticipate all contingencies relative to the local conditions under which the project will be performed. Submission of a proposal will constitute the firm's acknowledgment and certification of having adequate knowledge of specific site conditions in order to successfully perform the tasks involved in implementing the project as described.
