GENERAL TERMS AND CONDITIONS

PREPARATION OF BIDS

Proposals shall be submitted on the forms provided and must be signed by the Proposer or the Proposer's authorized representative. The person signing the bid shall initial any corrections to entries made on the bid forms.

Proposers must quote on all items appearing on the bid forms unless specific directions in the advertisement, on the bid form or in the special provisions allowed for partial Proposals. Failure to quote on all items may disqualify the bid. When proposals on all items are not required, Proposers shall insert the words "no bid" where appropriate.

Alternative proposals will be considered, unless otherwise stated, only if the alternate is: (1) Described completely, including, but not limited to, sample(s), if requested, and specifications sufficient so that a comparison to the request can be made; and (2) Submitted as part of the base bid response, i.e. it shall not be a separate document which could be construed as a sec Bidder agrees that the bid shall be deemed open for acceptance for sixty (60) calendar days subsequent to submittal to the Town of Stratham or as modified by addendum.

Any questions or inquiries must be submitted in writing, and must be received by the Purchasing Manager no later than seven (7) calendar days before the Request for Bid due date to be considered. Any changes to the Request for Bids will be provided to all Bidders of record.

The Bidder shall not divulge, discuss or compare this bid with other Bidders and shall not collude with any other Bidder or parties to a bid whatever. (Note: No premiums, rebates or gratuities permitted either with, prior to, or after any delivery materials are allowed. Any such violation will result in the cancellation and/or return of materials, as applicable, and the removal from bid List).

The name of manufacturer, trade name, or catalog number mentioned in this Request for bid is for the purpose of designating a minimum standard of quality and type. Such references are not intended to be restrictive, although specified color, type of material and specified measurements may be mandatory. Bids will be considered for any brand which meets or exceeds the quality of the specifications listed. On all such proposals, the Bidder shall specify the product they are proposing and shall supply sufficient data to enable a comparison to be made with the particular brand or manufacturer specified. Failure to submit the above may be sufficient grounds for rejection of the bid.

When samples are required, they must be submitted free of cost and will be returned unless otherwise specified.

SUBMISSION OF BIDS:

Bids must be submitted as directed in the Request for Bids and on the forms provided unless otherwise specified. Proposals must be typewritten or printed in ink. Bids must be mailed or delivered in person. Bids that are faxed or e-mailed will not be accepted.

WITHDRAWAL OF BIDS:

Bids may be withdrawn prior to the opening date and time upon written, faxed, emailed or telegraphic request of the Bidder to the Purchasing Manager. Negligence on the part of the Bidder in preparing this bid shall not constitute a right to withdraw a bid subsequent to the proposal opening. Bids may not be withdrawn for the period as indicated in the Preparation of Bids or as modified by addenda.

RECEIPT AND OPENING OF BIDS:

Bids shall be submitted prior to the time fixed in the Request for Bids. Bids received after the time so indicated shall be returned unopened.

BID RESULTS:

All bids received shall be considered confidential and not available for public review until after a vendor has been selected. All bids shall be subject to negotiations prior to the award of a contract.

NO TELEPHONE REQUESTS FOR RESULTS WILL BE ACCEPTED OR GIVEN.

TIE BIDS:

When identical Bids are received, with respect to price, delivery, financial resources, experience, ability to perform and quality, award may be made at the discretion of Town Administration, with the following exceptions: When a tie bid exists between a local (a business establishment within Town limits) Bid and an out-of-town Bid preference may be given to the local Bid. If a tie bid exists between two local Bidders or two out of Town Bidders the decision may be made at the discretion of Town Administration.

LIMITATIONS:

This Request for Bid (RFB) does not commit the Town to award a contract, to pay any costs incurred in the preparation of a response to this request, or to procure or contract for services, supplies or equipment. The Town reserves the right to accept or reject any or all bids received as a result of this request, or to cancel in part or in its entirety this RFB, if it is in the best interest of the Town to do so.

BID EVALUATION:

In an attempt to determine if a proposer is responsible, the Town, at its discretion, may obtain technical support from outside sources. Each Bidder will agree to fully cooperate with the personnel of such organizations.

AWARD OF CONTRACT:

Any contract entered into by the Town shall be in response to the proposal and subsequent discussions. It is the policy of the Town that contracts are awarded, among other considerations, only to responsive and responsible Bidders. In order to qualify as responsive and responsible, a prospective vendor must meet the following standards as they relate to this request:

- Have adequate financial resources for performance or have the ability to obtain such resources as required during performance;
- Have the necessary experience, organization, technical and professional qualifications, skills and facilities;
- Be able to comply with the proposed or required time completion or performance schedule;
- Have a demonstrated satisfactory record of performance; and
- Adhere to the specifications of this proposal and provide all documentation required of this proposal

The contract will be awarded to a responsive and responsible Bidder based on the evaluation criteria detailed on the bid evaluation sheet. The bidder selected will be the most qualified and not necessarily the Bidder with the lowest price.

The Town reserves the right to reject any or all bids or any part therefor, to waive any formality, informality, information and/or errors in the proposal, to accept any proposal in part or in whole as may be in the best interest of the Town, or to purchase services on the open market or any other option if it is considered in the best interest of the Town to do so.

In case of error in the extension of prices, the unit prices proposed shall govern and the unit prices in writing shall take precedence over the unit prices in figures. Also, in the event of a discrepancy between the total of the items and the lump sum total stated, the total of the items shall govern.

MODIFICATIONS AFTER AWARD:

The Contract shall constitute the entire understanding between the parties and it shall not be considered modified, altered, changed, or amended in any respect unless in writing and signed by the parties hereto. Such modification shall be in the form of a contract amendment executed by both parties.

CANCELLATION OF AWARD:

The Town reserves the right to cancel the award without liability to the Bidder, except for the return of the bid bond, at any time before a contract has been fully executed by all parties and is approved by the Town.

CONTRACT:

Any Contract between the Town and the Vendor shall consist of (1) the Request for Bid (RFB) and any amendments thereto and (2) the Vendor's bid in response to the RFB. In the event of a conflict in language between documents (1) and (2) referenced above, the provisions and requirements set forth and referenced in the RFB shall govern. However, the Town reserves the right to clarify any contractual relationship in writing, and such written clarification shall govern in case of conflict. In all other matters, not affected by written clarification, if any, the RFB shall govern. The Bidder is cautioned that this bid shall be subject to acceptance without further clarification.

INSURANCE:

The successful Bidder shall procure and maintain insurance, in the amounts and coverage as set forth in this Request for Bid, or otherwise required by the Town, at the Bidders's sole expense, with Town approved insurance companies, insuring against any and all public liability, including injuries or death to persons and damage to property, arising out of or related to the goods or Bidders's performance hereunder. The Town shall be named as an additional insured, as determined by the Town, in said policy or policies, and the successful Bidder shall furnish to the Town original Certificate(s) of Insurance evidencing the required coverage to be in force on the date of this Agreement and renewal Certificates of Insurance if coverage has an expiration or renewal date occurring during the term of this Agreement. In addition to the certificate(s) of insurance, the successful Bidder shall also provide, as required by the Town, an additional insured endorsement. If the policy includes a blanket additional insured endorsement or contractual additional insured coverage, the requirement for an endorsement may be fulfilled by submitting that document along with a signed declaration page referencing the blanket endorsement or policy form. The successful Bidder shall ensure that all insurance coverage maintained or procured pursuant to this agreement shall be endorsed, as required by the Town, to waive subrogation against the Town, however this waiver of subrogation requirement shall not apply to any policy that includes a condition that specifically prohibits such an endorsement or voids coverage should the successful proposer enter into such an agreement on a pre-loss basis.

All certificates shall provide that the Town be given thirty (30) days written notice prior to any change, substitution, or cancellation before the stated expiration date.

The Town's examination of, or failure to request or demand, any evidence of insurance hereunder, shall not constitute a waiver of any requirement and the existence of any insurance shall not limit the Bidders's obligation under any provision hereof.

Except to the extent of comparable insurance acceptable to or express waiver by the Town, the Bidder shall, or shall cause any carrier engaged by the Bidder, to insure all shipments of goods for full value.

If the contract with the Bidder involves the performance of work by the Bidder's employees at property owned or leased by the Town, the Bidder shall furnish such additional insurance as the Town may request in respect thereof, but in any event and without such request, workers compensation insurance and unemployment compensation insurance as required by laws of the State of New Hampshire and public and automotive liability and property damage insurance. In no event shall such employees of the proposer be deemed to be the employees of, or under the direction or control of the Town for any purpose whatsoever.

WORKER'S COMPENSATION:

All Bidders and subcontractors at every tier under the Bidder will conform with the requirements of RSA 281 Title XXIII, Section 281-A:2 with close attention to sections VI(a), VI(c) and VII(a) as well as Section 281-A;4.

EXECUTION OF CONTRACT:

The successful Bidder shall sign (execute) the contract documents and shall satisfy all conditions set forth in the contract to enter into the contract and return such signed documents to the Town within ten (10) calendar days from the date mailed or otherwise delivered to the successful Bidder.

APPROVAL OF CONTRACT:

Upon receipt of the contract and any necessary surety bonds that have been fully executed by the successful Bidder the Town shall complete the execution of the contract in accordance with local laws or ordinances and return the fully executed contract to the contractor. Delivery of the fully executed contract, along with a Notice to Proceed to the Contractor shall constitute the Town's approval of the contract with the Contractor.

FAILURE TO EXECUTE CONTRACT:

Failure of the successful bidder to execute the contract and/or furnish acceptable surety bonds (if required) within ten (10) calendar days from the date mailed or otherwise delivered to the successful Bidder shall be just cause for cancellation of the award.

DISQUALIFICATION:

Awards will not be made to any person, firm and/or corporation that have defaulted upon a contract with the Town, the State of New Hampshire or the Federal Government within the past 5 years. Awards will not be made to any principal owner or officers that have a 10% or greater interest in a firm or corporation that has defaulted upon a contract with the Town, the State of New Hampshire or the Federal Government within the past 5 years. Corporations must currently be in good standing with the Secretary of State Office in the state in which it is incorporated.

DISAGREEMENTS AND DISPUTES:

All disagreements and disputes, if any, arising under the terms of any contract, either by law, in equity, or by arbitration, shall be resolved pursuant to the laws and procedures of the State of New Hampshire, in which state any contract shall be deemed to have been executed. No action at law, or equity, or by arbitration shall be commenced to resolve any disagreements or disputes under the terms of any contract, in any jurisdiction whatsoever other than the State of New Hampshire and Rockingham County.

TERMINATION OF CONTRACT FOR CAUSE:

If the Contractor shall violate any provision of the Contract, the Town shall have the right to terminate the Contract. To terminate the Contract the Town shall provide written notice to the Contractor of such termination. Such written notice shall state the Contract violation(s) and be delivered to the Contractor's address as identified in the Contract Documents. This notice shall provide the Contractor with fifteen (15) calendar days from the date of delivery, to correct the violation(s) to the Town's satisfaction. Should the Contractor fail to satisfactorily correct all violations within (15) fifteen calendar days, the Town may terminate the contract immediately upon delivery of a Notice of Termination to the Contractor. Such termination shall become effective immediately or as otherwise determined by the Town. Upon termination, all finished or unfinished work, services, plans, data programs and reports prepared by the Contractor under the Contract shall become property of the Town. The Town may also terminate this Contract in accordance with any other applicable Contract provision.

Notwithstanding the above, the Contractor shall not be relieved of liability to the Town for damages sustained by the Town by virtue of any breach of any contract, and the Town may withhold any payments until such time as the exact amount of damages due the Town is determined.

TERMINATION FOR THE CONVENIENCE OF THE TOWN:

The Town may terminate any contract at any time by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least fifteen (15) days before the effective date of such termination.

In that event, all finished or unfinished work, services, documents and materials shall become the Town’s property. If any Contract is terminated by the Town as provided herein, the Contractor will be paid an amount which bears the same ratio to the total compensation as the services covered by any contract, less payments of compensation previously made.

LAWS AND REGULATIONS:

The Contractor shall keep fully informed of all federal and state law and municipal ordinances and regulations in any manner affecting those engaged or employed in the work, or the materials used in the work, or in any way affecting the conduct of the work, and of all such orders and decrees of bodies having any jurisdiction authority over the same. If any discrepancy or inconsistency is discovered in the plans, drawings, specifications or contract for the work in relation to any such laws, specifications or contract for the work in relation to any such laws, ordinances, regulations, orders or decrees, the Contractor shall forthwith report the same to the Town’s Project Manager in writing. The Contractor shall at all times observe and comply with such laws, ordinances, regulations, orders and decrees; and shall protect and indemnify the Town and its officers, agents and servants against any claim or liability arising from or based on the violation of any such laws, ordinances, regulations, order or decrees, whether by the Contractor or the Contractor’s employees or subcontractors.
