The Planning Board recommends this article by unanimous vote.

Article 4 – Are you in favor of adopting the following amendments to the Town of Stratham Zoning Ordinance as proposed by the Planning Board?

To see if the Town will amend the Zoning Ordinance, Section IV, by amending to Section IV, Subsection 4.3 (e) *Explanatory Notes*, to clarify the process for waiving the prescriptive height limitations within the zoning districts so permitted by Section IV, Subsection 4.2 *Table of Dimensional Requirements*, as provided by the Zoning Ordinance.

(e) For the footnoted districts, an applicant may apply to the Board of Adjustment request a waiver to these regulations from the Planning Board during Site Plan Review, to exceed the height limit provided it is determined by the Board that the extra height will not create a safety hazard.

The Planning Board recommends this article by unanimous vote.

Article 5 – Are you in favor of adopting the following amendments to the Town of Stratham Zoning Ordinance as proposed by the Planning Board?

To see if the Town will amend the Zoning Ordinance, Section V, Section 5.4 Accessory Dwelling Units, Subsection 5.4.2 *Objectives*, 5.4.3 *Regulations*, and 5.4.4 *Additional Regulations* to clarify the permitting requirements and procedures for Accessory Dwelling Units.

5.4.2 Objectives: The objectives of this Section are to:

- a. *Provide a housing unit in a single-family neighborhood for individuals seeking affordable housing alternatives;*
- b. *Protect the single-family residential character of a neighborhood by ensuring that the accessory apartment dwelling unit is permitted only in an owner-occupied house and on an owner-occupied property and under such conditions as to protect the health, property values, safety, and welfare of the public.*

5.4.3 Regulations: No more than one (1) accessory dwelling unit (ADU) will be permitted on a legal lot or property which is already approved for or developed with a detached single-family dwelling. The Further, an ADU may be created within the a single-family dwelling, or within an existing attached or detached garage-accessory structure, in accordance with these regulations. All ADU development shall insure:

- a. *The dwelling property to which an accessory dwelling unit is to be added must be owner-occupied where the owner must reside in either unit following completion of the ADU;*
- b. *The property and proposed use must conform to the dimensional requirements of Table 4.2 (including the requirements for lot coverage, building footprint and open space requirements) ADUs shall only be permitted on legally established parcels;*
- c. *The accessory dwelling unit shall be designed so that the exterior appearance of the building(s) and property remains that of a one family dwelling. Any new entrance that may be required shall be located on the side or in the rear of the building. Units within a garage should be constructed to maintain the look of a residential garage, such that garage doors should remain and any decks are constructed to the rear of the structure;*
- d. *The size of the accessory dwelling unit shall be between 400 square feet and 1,000 square feet;*
- e. *In no case shall there be more than ~~three (3) people~~ one (1) family having a maximum occupancy as dictated by the Town of Stratham Building Ordinance, residing within an accessory dwelling unit ADU;*
- f. *Adequate A minimum of two (2) off-street paved or gravel parking spaces per unit (single-family and ADU), shall be provided and shown on the sketch plan. The appearance of the parking design shall be that of a single-family dwelling;*
- g. *The structure and lot shall not be converted to a condominium or any other form of legal ownership distinct from the ownership of the existing single-family dwelling;*

- h. Prior to issuance of a Certificate of Occupancy, by the Code Enforcement Officer, the owner shall provide, the following:*
- i. Evidence to the Building Inspector or their agent that septic facilities are adequate for both units according to the standards of Stratham and the N.H. Water Supply and Pollution Control Division. If deemed necessary by said Inspector, such evidence shall be in the form of certification by a State of NH licensed septic system designer. Also the owner shall provide evidence that there is adequate potable water according to the standards of the State of New Hampshire.*
 - ii. A floor plan of one quarter inch (1/4") to the foot scale showing the proposed changes to the building, if applicable.*
 - iii. A sketch plan (drawn to scale) of the lot, with existing and proposed structures and parking, if applicable.*
- i. The single-family dwelling shall not be a mobile home, condominium, or located within a cluster development (Rev. 3/18).*

5.4.4 Additional Regulations:

- a. The Building Inspector may require construction plans of any improvements and foundations to determine safety of any structure to be used as an accessory dwelling unit. Safety may be determined by review and inspection of the structure to be used.*
- b. Once any renovation or construction is complete, or the owner is ready to have a unit occupied, a request shall be made to the Building Inspector for an occupancy permit. There shall be no occupancy of the accessory dwelling unit until the Building Inspector has issued said occupancy permit.*
- c. Any accessory dwelling unit shall be allowed to continue to be used as such as long as all the requirements of Section 5.4.3 are maintained. If any of the conditions set forth in Section 5.4.3 are not maintained such accessory dwelling unit shall cease to exist. To reestablish use of such accessory dwelling unit, the home owner must reapply for a permit.*
- d. No accessory dwelling unit ADU shall be used for transient occupancy uses*

The Planning Board recommends this article by unanimous vote.

Article 6 – Are you in favor of adopting the following amendment to the Town of Stratham Zoning Ordinance as proposed by the Planning Board?

To see if the Town will amend the Zoning Ordinance, Section V, Subsection 5.14.4.1 *Exceptions* to modify the maximum height for ground mount installations.

b. Ground mount installations shall be limited to a height (tallest point of structure) of no more than twenty one (2021) feet above natural grade.

The Planning Board recommends this article by unanimous vote.

Article 7 – Are you in favor of adopting the following amendment to the Town of Stratham Zoning Ordinance as proposed by the Planning Board?

To see if the Town will amend Section XI, Subsection 11.3.2 b and amend Section XI, Subsection 11.5.3.b to further clarify the permitting requirements and procedures for development within the Wetlands Conservation District (Overlay).

11.3.2 b. The Construction of Fences, Footbridges, Catwalks and Wharves Only: provided: 1) said structures are constructed on posts or pilings so as to permit the unobstructed flow of water; 2) structures do not obstruct navigation on tidal creeks; 3) the natural contour of the wetland is preserved; and 4) the Planning Board, or its designee, has reviewed and approved the proposed construction.

11.5.3 b. All construction, forestry, and agriculture activities within 100 feet of any wetland shall be undertaken with special care to avoid erosion and siltation into the wetlands. The Planning Board may require an erosion control plan approved by the Rockingham County Conservation District for any project undertaken up-grade of a wetland. No building activity ~~(building does not include septic systems)~~ (Exception: "Building Activity" does not include septic systems, uncovered decks, or similar appurtenant structures, constructed consistent with 11.3.2 (b)) shall be permitted within 100 feet of any very poorly drained soil and within 50 feet of any wetland except as provided in subsection c of this section. Where required, permits from the New Hampshire Department of Environmental Services shall be obtained.

The Planning Board recommends this article by unanimous vote.
