

CHAPTER 1-07—ESTABLISHING THE POSTED SPEED LIMITS

1-07-01 In the interest of promoting and ensuring the public health and safety and general welfare of all citizens of Stratham and other individuals who may frequent the Town of Stratham, the Board of Selectmen instruct the Police Chief and Highway Agent to conduct a review of engineering studies and surveys of traffic flow patterns for all the Town roads and report on an annual basis recommended speed limits for posting on such roads. These recommendations shall be posted for two public readings, after which they will be considered enacted. The anniversary date for the stated report shall be the initial enactment of this ordinance.

Following engineering studies and surveys of traffic flow patterns done by the Stratham Highway and Police Departments speed limits on the following Town roads shall be posted as follows:
